Sponsor's signature _____

Date signed _____

Bank account statements, letters, and/or other forms of documentation, which will support the promise given above, must be included with this application.

INSTRUCTIONS

International students must meet the following academic and financial requirements to be considered for admission to the college.

Academic Requirements

1. Certified transcripts (with English translations) of secondary school and/or college records, or examination results when periodic grades are not used for measurement purposes.
2. Undergraduate applicants should possess two years of college preparatory mathematics, such as algebra, geometry and trigonometry.
3. English proficiency for direct admission into a degree program:
 - a. Undergraduate- TOEFL score of 79, or
 - b. Proof of completing a specified level of proficiency at an English language school, or
 - c. Satisfactory completion of English courses at an accredited university of college within the United States.

Undergraduate students with less than required TOEFL or insufficient English proficiency may still be admitted into a BS degree program if they are willing to do ESL first.

Financial Requirements

1. International students must submit evidence of sufficient financial resources for living and educational expenses. Support documents must be dated within the last six months. Proof of financial support can be in one of the following forms:
 - a. A letter of sponsorship or scholarship from a government agency or corporation. This letter of sponsorship must be an original and outline specific billing procedures.
 - b. Complete the following Declaration and Certifications of Finances form. This form must be accompanied by supporting bank statements or employment verification. Include signatures or original letters of support from each sponsor.
2. Students who have not provided valid evidence of sponsorship from a government agency or corporation must make a tuition deposit of \$500 prior to formal acceptance and issuance of I-20.

Applicants may expect an answer from the college three to five weeks after receipt of all necessary documents. All international students must join the college health insurance program, unless adequate coverage is proven.

If you request on-campus housing (reverse side of this application) and you are accepted for enrollment at Capitol Technology University, a housing agreement will be sent to you. A completed enrollment notification must be submitted to the Admissions Office by the deadline to be guaranteed student housing.

Priority Application Deadlines: Fall- May 1 Spring-October 1
